

# BUREAU OF ENERGY EFFICIENCY (BEE)

(A Statutory body under Ministry of Power, Government of India)

## Applications are invited from organizations for enlisting as **Energy Service Company (ESCO)** with the Bureau of Energy Efficiency

Bureau of Energy Efficiency (BEE) is promoting energy efficiency initiatives in the country under the Energy Conservation Act, 2001, including promotion of energy conservation measures in existing buildings through the ESCO route. ESCO is an organization engaged in a performance based contract with a client firm to implement measures which reduce energy consumption and costs in a technically and financially viable manner. BEE intends to prepare and maintain a list of Energy Service Companies (ESCOs).

Applications are sought from various organizations for enlisting as ESCOs with BEE in the prescribed format which would be evaluated by a Committee of Experts in terms of the applicant's experience in energy efficiency retrofitting, professional competence and financial capacity.

The application format indicating criteria etc. can be downloaded from BEE website ([bee-india.nic.in](http://bee-india.nic.in)). Complete application from intending parties should reach BEE by **29th October, 2007** at the following address:-
