

# Attention owners of Office Buildings

## Stand tall

with **Star Rating** for your building...

...cut down your operating cost  
with reduced electricity bills

BEE adds a new dimension to the energy conservation drive by initiating a scheme for star rating of office/commercial buildings. The programme will rate the buildings on a 1 – 5 star scale, with 5 star labeled buildings being the most energy efficient. The BEE star rating would enable building owners / developers to access the energy efficiency improvements in these buildings.

\* Registration fee of  
**Rs.1,00,000/- waived off**  
for the **first 100 applicants**

### Eligibility criteria

- Existing buildings in both government and commercial sector having a connected load of 100 kW or above
- The programme initially targets for office building under the following three climatic zone:  
**(a) Warm & Humid (b) Composite (c) Hot and Dry**
- Subsequently, it will be extended to other categories of buildings like **Hotels, Hospitals, Retail Malls & IT Parks.**

Details of the scheme can be downloaded from
