

Yet another Home Appliance to Save Energy

After ACs, Refrigerators, Color TVs, Fans, etc., now Washing Machines will also save energy. BEE announces voluntary Star Labeling Scheme for Washing Machines.

More stars mean more energy saving. While buying a new washing machine look for a BEE Star Label.

The BEE, a statutory body under Ministry of Power, Government of India invites washing machine Manufacturers to participate in the scheme by registering themselves. The details of the scheme along with Schedule can be found on www.bee-india.nic.in & www.energymanagertraining.com
