

## ENERGY POLICY

We, at Gujarat State Fertilizers & Chemicals Limited (G.S.F.C.) Fertilizernagar Unit, are committed to

- Reduce specific energy consumption for all our products.
- Monitor closely the consumption of various forms of energy.
- Replace old energy inefficient equipment with latest energy efficient equipment.
- Adopt energy efficient / environment friendly technologies / equipment for all new projects.
- Maximize recovery of Waste Heat.
- Create awareness among employees about energy conservation.
