Energy Management Policy

Reliance plays a lead role in the national economy by providing quality goods and services in the materials and energy value chains and in infrastructure.

Our mission is

- *To be the lowest specific energy consumer in the industry we operate.*
- *To maximize the use of renewable fuels and low energy level fuels in our operations.*

This we plan to achieve by the following :

- *Manage efficiently the utilization of energy resources, upgrade hardware and employ cleaner and more efficient technologies.*
- *Train employees to make Reliance the pace setter in the area of energy conservation.*
- *Carry out regular internal and external audits to identify areas for improvement.*
- *Benchmark continuously our performance against the best in the world.*
- *Enrich our experience on energy conservation by exchange of ideas with other organizations.*
- *Promote awareness among all members of the large Reliance family.*
