

School, State and National Level Painting Competition for School Children (Under National Awareness Campaign on Energy Conservation 2006)

Introduction

The Ministry of Power has launched the National Awareness Campaign in order to promote energy conservation in the country. Painting competition for students at the School, State and at National level has been included as one of the activities of the campaign, which would not only make aware the children about the need of conserving energy but at the same time would educate and involve their parents as well in the above cause. The identified activity is one of the measures, which can help in creating awareness in the domestic sector. The children studying in the standards 4th and 5th will be eligible to participate in the painting competition. The salient features of the scheme are as follows:

1. Salient features of the School level Painting Competition Scheme

- a. School Level Painting Competition 2006 for the students of 4th and 5th standards has been launched in all the States/UTs' through an advertisement in the print media starting from 6th August, 2006 by Bureau of Energy Efficiency (BEE).
- b. Schools Principals will organize painting competition of 2 hours duration at their Schools during 7th August, 2006 to 8th September 2006. Students can use any size of paper , but preferably A4 size drawing sheet ,and students can pick any one of the following Theme Topics:
 - **Save electricity and make one more home energized.**
 - **Save one unit a day, keep power cut away.**
 - **When it is bright, switch off the light.**
- c. The back of the painting should carry the following information:

Name of the Student	Father's/Mother's Name
Standard	Roll No.
School Name & Address	School Tel No
Tel No. of Student	E-mail ID of Student
STATE/UT	Signature of the School Principal
- d. Schools principals will select 2 best paintings send them along with information on number of students participated at School level competition at the Nodal Official address of their respective State/UT by 29th September, 2006. All participating students will be issued a certificate of participation.
- e. List of the Nodal officials for all the States/UTs is given in [Annexure 1](#)
- f. Paintings not signed by the school principal or sent directly by student's parents will not be accepted.
- g. Paintings are to be sent only at the address of respective Nodal Official of the State/UT and not on the addresses of Ministry of Power and Bureau of Energy Efficiency.

2. Salient features of the State level Painting Competition Scheme

- a. A committee/jury comprising of 4 to 5 renowned persons in Art, drawing teachers, officials from organizers and State government education department will be constituted by the Nodal officials for selecting up to 50 best paintings out of the total numbers of the paintings sent by the respective School Principal of the State/UT.
- b. The list of 50 selected students eligible for participation at state level painting competition will be uploaded on http://www.energymanagertraining.com/banner/NCEC2006_main.htm & www.bee-india-nic.in by 14th October 2006.
- c. Nodal officials will also communicate with the respective school principals by 14th October, 2006 through letters, fax, telegrams, telephones, email etc. about the selection of their students and also request them to send the selected school student to participate in State level painting competition on 14th November, 2006 at the selected venue and timings. Tentatively, this venue may be the State capital.
- d. The selected students are also to be requested to carry the following material
 - A letter from respective school principal certifying the student's particulars or Identity Card.
 - Latest passport size Colored photograph (02 Nos).
 - Painting material: crayons, colored pencils, water colors.
 - Drawing board etc. (*The drawing sheet of size:380 x 510 millimeters (approximately 15 x 20 inches) will be provided by the Nodal official*)

Note:

1. The decision of the Jury/Expert committee at all levels of the painting competition will be final.
2. Two paintings selected at school Level and paintings at State and National Level would be the sole property of BEE, which will have the right to use it for any purpose it consider appropriate.
3. Collection of Paintings of last year State Level Competition on Energy Conservation 2005 are available at the following link.
