

# NATIONAL ENERGY CONSERVATION AWARDS 2005 FOR GOVERNMENT BUILDINGS

Ministry of Power invites applications from the management of Government buildings, which are making systematic attempts for efficient utilization and conservation of energy, for giving special awards for 2005 based on their performance during October 2002 - September 2005. The salient features of the Award Scheme are :

## ELIGIBILITY

- The scheme is open to all buildings / building complexes of the Central / State Government, Public Sector Undertakings, Autonomous / Statutory Bodies & Institutions, and all other buildings under the administrative control of Central and State Governments and having connected load of 500 kW and above.
- The nominated building should be in actual use for at least above mentioned three years.
- Certificates to this effect that the nominated building is presently following all the statutory requirements pertaining to the fire, safety and pollution control (as applicable) should be attached along with the filled in questionnaire.

## AWARDS

Awards for the best and second best buildings will be given in the form of Silver Plaques with appropriate citations as may be decided by the Ministry of Power.

The energy saving performance of buildings would be judged through questionnaires, which would be evaluated by the Awards Committee. The decision of the Committee will be final.
