

**UltraTech Cement Limited
Gujarat Cement Works**

Energy Management Policy

We are committed to become an energy efficient organization; driven through benchmarking energy consumption norms & conservation of natural resources by utilizing industrial waste like fly ash, waste gases, used oil & sludge.

We are also committed to promote awareness of energy conservation through regular training and audits.

A handwritten signature in blue ink, appearing to read 'K.Y.P. Kulkarni', is written over a horizontal line.

**K.Y.P. KULKARNI
