

ENERGY MANAGEMENT POLICY

We, at Godavari Fertilizers and Chemicals Limited, a member of Murugappa Group of Companies, are committed to conserving scarce and irreplaceable energy resources and to making the Company one of the most energy efficient manufacturing facilities in our sector of industry.

We shall take all necessary steps during technology selection, installation, operation and maintenance of plants/equipment to conserve energy, and create awareness among employees of "Energy Conservation" through training and participation in the process of conservation.

We shall also inculcate the habit of waste minimization to accomplish an eco-friendly environment.

K.A. NAIR

PRESIDENT & WHOLETIME DIRECTOR
