

**ITC Limited Paperboards and Specialty Papers
Division – Unit Bhadrachalam**

ENERGY POLICY

We at ITC BHADRACHALAM PAPERBOARDS DIVISION are totally committed to continuously improve our Energy performance in all our activities, products and services. To meet above goals we will strive for

- ▶ Maximization of cogeneration
- ▶ Adopting appropriate energy conservation technologies for all the projects.
- ▶ Replacement of energy inefficient equipment with energy efficient equipment.
- ▶ Conducting conservation studies including audits by engaging external specialists in the respective areas.
- ▶ Creating awareness among employees and nearby population through campaigns, publicity about the need for energy conservation.
- ▶ Bench marking of energy consumptions by comparing with the international levels.
- ▶ Recognizing the efforts of employees in energy conservation initiatives and suitably rewarding them.
- ▶ monitor closely and controlling the energy consumption by utilizing effective energy management systems.
- ▶ maximizing the recovery of waste energy.
- ▶ Reducing Specific Energy Consumption at least by 2% annually.
