

ENVIRONMENTAL POLICY

Tata Refractories strives to preserve and improve the environment as a responsible corporate citizen. It shall endeavour to;

- ◆ Conduct all its operations in environmentally responsible manner;
- ◆ Comply with statutory regulations and wherever possible, exceed the standards by continuous improvement;
- ◆ Conserve resources like raw material, water and energy by minimising their waste and promoting recovery, recycling and reuse;
- ◆ Prevent pollution, protect and promote health and welfare of its employees, the community and the environment;
- ◆ Enhance the environmental awareness of the employees and of general populace;
- ◆ Implement, maintain and continuously review a comprehensive Environment Management System to achieve the above goals.
