

GTC INDUSTRIES LTD

Vadodara

GTC INDUSTRIES LTD formally known as Golden Tobacco Company Pvt Ltd was established by a visionary enchanted with natural spirit Late Shri Narsee Monjee in the year 1930 in Mumbai and went public in the year 1970. This wholly indigenous Company captured a substantial domestic market share and marked its presence in the overseas market also.

To expand and grow further, the company established its full fledged manufacturing unit at Vadodara (Gujarat) in the year 1972. GTC Industries Ltd has had its name from metro cities to small villages all over the country with its reputed cigarette brands – Panama, Chancellor and Style. GTC has a wide spread marketing network ensuring services to the customers located at every corner of the country.

Later on in the year 1979 , this company was taken over by the Dalmia Brothers. GTC Vadodara has its well equipped Tobacco Process plant and Secondary manufacturing plant with fully automated modern manufacturing facility. Our annual sales turnover is around Rs 400 crores.

To match the world class tobacco taste , our R&D team is constantly striving and having vision beyond vision to make better than the best. In this endeavour GTC introduced the first ever cigarette ‘ Loe Tobac’ with 25 % less Tobacco in the year 2006.
