

CHETTINAD CEMENT CORP. LTD. KARIKKALI WORKS

Energy management policy

- To be the lowest specific energy consumer in cement industry.
- To be the leader in using alternative fuels.
- To promote the use of renewable energy sources.

To achieve the above we plan the following

- Manage efficiently the utilization of energy sources, upgrade hardware and employ cleaner and more efficient technologies.
- Train the employees to make Chettinad the pace setter in the area of energy conservation.
- Bench mark continuously our performance against best in the world.
