

Draft Energy Policy

USHA MARTIN LIMITED

USHA ALLOYS AND STEELS DIVISION (UASD)

JAMSHEDPUR

ENERGY POLICY (Draft Stage)

We at Usha Martin limited, Usha Alloys & Steel Division, (UASD), Jamshedpur, are committed to optimally utilize various forms of energy in a cost-effective manner to effect conservation of energy resources. This we plan to achieve by the following: -

- ❑ Carry out regular internal & external energy audits to identify areas for improvement.
- ❑ Benchmarking all products/service for energy consumption at regional as well as national level & International level.
- ❑ Reuse & recycle of Energy by cascading.
- ❑ Make energy conservation a mass movement with the involvement of all employees.
- ❑ Implementation of energy efficient system at design stage in ongoing project.
- ❑ Reduce specific energy consumption.
