

ITC Limited
Paperboards and Specialty Papers Division
Unit - Tribeni

Energy Policy

We at ITC Limited, Paperboards & Specialty Papers Division, Unit-Tribeni are totally committed to continuously improve our Energy performance in all our activities, products and services.

To meet above goals we will strive for:

- Maximising cogeneration.
- Adopting, appropriate energy conservation technologies for all the projects.
- Replacing energy inefficient equipment, with energy efficient equipment.
- Conducting conservation studies including audits by engaging external specialists in the respective areas.
- Creating awareness among employees and nearby population through campaigns, publicity about the need for energy conservation.
- Benchmarking of energy consumptions by comparing with the international levels.
- Recognizing the efforts of employees in energy conservation initiatives and suitably rewarding them.
- Monitor closely and controlling the energy consumption by utilizing effective energy management systems.
- Maximizing the recovery of waste energy.
- Reducing Specific Energy Consumption at least by 2% annually.
