

MOSERBAER INDIA LIMITED
Greater Noida

Energy Policy

We are committed to the generation and utilization of Energy in a most efficient, cost effective and environmentally responsible manner. This will be achieved through:

- a) Enhancing employee awareness
- b) Energy Management programs
- c) Reducing Greenhouse effect
- d) Lowest specific fuel consumption
- e) Continually exploring new technologies and processes for Energy Management.

A handwritten signature in black ink, appearing to read "Deepak Puri".

Deepak Puri
(Chairman & Managing Director)
